書名(英語) Title(EN)	Fragments
作品紹介(英語) Work discription	<p>From the acclaimed bestselling author of CONFESIONS and PENANCE comes a new masterpiece. This time the author focuses her new novel-in-stories around cosmetic surgery, which is currently very popular.</p> <p>Patients flock around Hisano Tachibana's cosmetic surgery clinic. Listening to their various problems, Hisano cannot stop wondering about the death of a girl. She delves into the girl's case and gradually finds out about people's ugly and urgent yearnings toward beauty, and about their distorted love for their daughters, mothers, and families.</p>

作品紹介(英語) Work discription	<p>Nominated for the 161th Akutagawa Prize</p> <p>The back was the most beautiful body part of my grandma. A strange old man licked my belly on the way back from school. I got to know there was a way that I write what I want to say on a signboard. I had a friend called Nishida whose stories were always boring back in high school..... “ I ” , now a grown up, take shelter in a store and meet Izumi. Izumi shoots and stores records of Tokyo, and uploads them on social media. In the video is grown-up Nishida, a beautiful man in a dress standing at the forefront of a demonstration. In the crowd of the demonstration which Izumi takes me to, Nishida finds me from the stage, but I run away. With tightly layered memories of the past, I run through the town of Shibuya at full tilt, so I won ' t be caught by Nishida.</p>

作品紹介(英語) Work discription	<p>With every strength of my imagination, I invisibly go to his room. Delusion, loneliness, and something that may be beyond them. A painful and bittersweet story of a woman who struggles to be normal.</p> <p>Mio received a prize for new writers, but for over the next six years, she can't write any novels. When she sees a young man holding her book at a book store, she can't help but follow him. And she identifies his house and name: Haruomi Senda. Since then, she can write short stories as if by magic, and keeps posting them to his mailbox. Meanwhile, she gets to know Haruomi's girlfriend and the three, including Haruomi, start meeting each other... This novel describes a woman's struggles with loneliness and difficulties in her life. This is the author's first work after being awarded the Subaru Prize for Literature.</p>

作品紹介(英語) Work discription	<p>"We're not friends."</p> <p>It's the summer of Ai's 25th year. She's at a resort with her boyfriend when they run into a childhood friend of her boyfriend's and his girlfriend. Saika, an aspiring actress, is gifted with exceptional beauty—and the haughtiness that can go with it. Despite her unfriendly demeanor toward Ai, the four open up to each other while spending the time at the resort together.</p> <p>After returning to Tokyo from their vacation, Ai grows close to Saika very quickly. Before long, Ai and her boyfriend start talking about marriage, when suddenly one day Saika boldly kisses Ai, confessing that she loved her "from the start." "She tempts me with her skin, her breath, her lips, her tongue..., and I'm completely taken in by her."</p>
