ISBN	978-4-487-81528-9
書名(日本語) Title(JP)	見つける東京
書名(英語) Title (EN)	Finding TOKYO
作品紹介(英語) Work discription	<p>TOKYO, the biggest mega-city of Japan, where many people visit and live from not only local regions of Japan but also from the whole world. Since the Edo period, this city has been established as the metamorphic centre of cultural movements and the Japanese economy.</p> <p>The photo book, "Finding TOKYO," shows the unknown sides of the historical multi-layered complexity and regional diversity of Tokyo, which are rediscovered by Kyoto born writer OKABE Takashi, and Mie where the Ise shrine is located, born photographer YAMADE Takashi, with the 44 themes and fully visual elements under the concept to make a book that they, OKABE and YAMADE, want younger people who just arrived in Tokyo to read it.</p>
